

## The GASAH birthday challenge

Dear GASAH friends

In spite of this year's difficult situation, our team on Kos is doing everything in its power to continue its important work relieving animal suffering. As GASAH friends, we want to support the team as much as we possibly can. To this end, we need you all!

Join us in the GASAH birthday challenge, starting from October 2020.

This is how it works: Invite your friends to donate to GASAH on your birthday. Instead of us getting presents, we give our presents as funds to the animals who need them. Just send us a photo that represents your birthday and we will put it on our homepage. After a year, we hope to have a colourful-looking photo album.

A birthday is a special day for every single person. If everyone takes part in the challenge game, we can make every day a special one for the animals on Kos.

Will you join us?

Best wishes from

The GASAH Committee
